

*Introducing...*

# Greenvalley's “ON SITE OIL” PROGRAM

# What are the Benefits of Greenvalley's "On Site Oil" Program?

- It's convenient – genuine JD oil, where you need it...when you need it!
- A GVE truck will deliver to your shop...no driving to pick up more oil when you are running low.
- Saves your operation money – quality oil at "On Site" prices

# What are the Benefits of Greenvalley's "On Site Oil" Program?

- Eliminates manually pumping oil, drum deposits, no wasted oil left in the bottom of containers.
- We can offer you a wide variety of storage tank options to suit YOUR needs! We can customize storage tank sizes to make sure that you always have enough oil on hand.

# What are the Benefits of Greenvalley's "On Site Oil" Program?

- Risk of oil/fluid contamination is minimized with GVE's On Site Oil program
- GVE will schedule regular delivery routes and delivery times
- We offer lower minimum quantities than the competition.(410liters)
- There is **NO CHARGE** for delivery as long you meet the minimum!

CJ-4 / SM
